Student dashboard

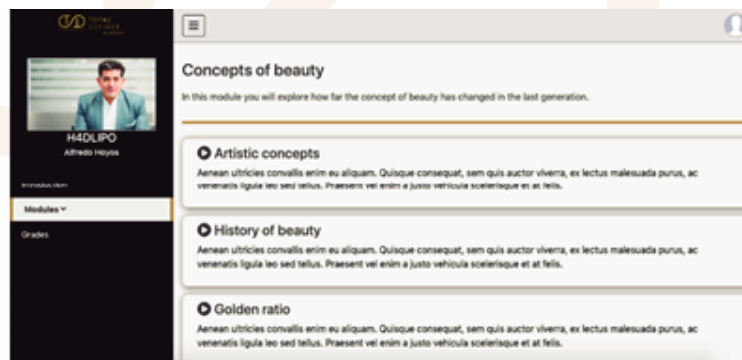

1. Introduction

When you have purchased a course, you will see the view below which corresponds to the student dashboard, in the side menu you will find three options: introduction, modules and grades.

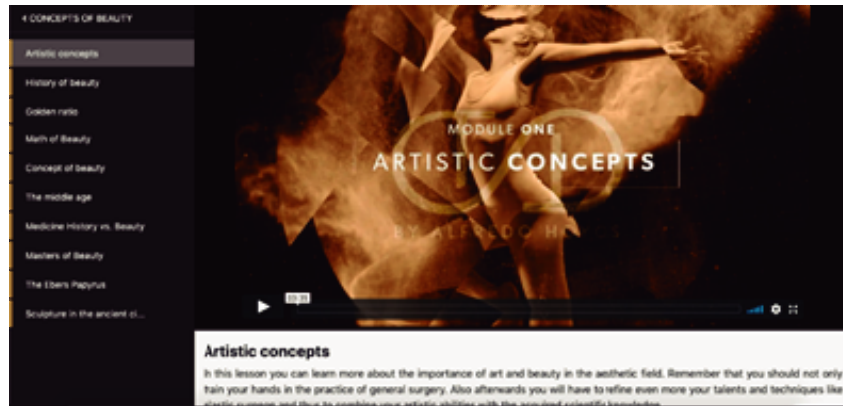

2. Module summary

In the submenu of modules you can select the module of your interest and then the following view will be displayed, where you can see the description of the module, as well as the list of lessons, which can be videos or downloadable resources, and access them when and where you want it

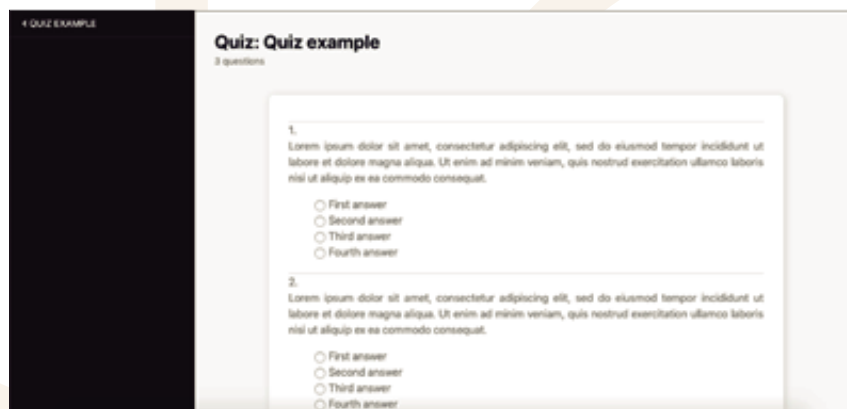

3. Lesson

When you enter a lesson you will get the following view, where you will find the title of the lesson, the description of the lesson and the video or downloadable resource it contains; likewise, in the side menu you will find all the lessons corresponding to the module you selected and enter the one you want.

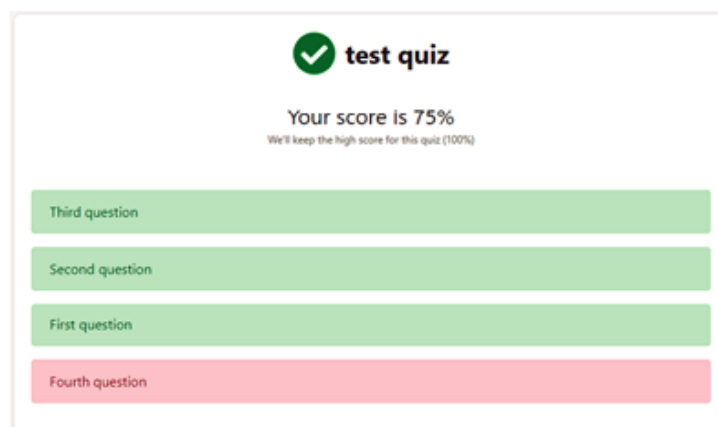

4. Quiz/final exam view

When you enter to present a quiz or a final exam of the course you will find the following view, the quices and the final exams consist of tests with multiple options and a single correct answer.

After presenting the quiz or a final exam you will receive a feedback as shown in the image below, where you can validate which questions you solved in an appropriate way and make your own feedback from the result.

The quiz or final exam will be approved with a score higher than 70% and in case you want to repeat the test the system will maintain the highest grade. If you have submitted and passed a final exam you can find your certificate in the grades section

5. Scores view

In the grades view you will see the summary of your grades obtained during the course, in case you have submitted and passed a final exam you will find a link next to the approved icon that will allow you to download your online course approval certificate. Remember that this certificate only validates that you took the online course on our platform and it has no academic validity, so it does not enable you to execute the techniques worked on during the course without first having completed our Hands On. For more information, we invite you to read our terms and conditions and privacy policies.

Quiz	Score	Approved
Quiz example	100%	✓
Final exam	Score	Approved
Exam test	100%	✓ Get certificate

Instructors

In the instructors section you can see a list of all the instructors we have on our platform, with their respective photo, description and link to your resume.

The screenshot shows the 'OUR INSTRUCTORS' section of the Total Center website. The page has a dark background with a stethoscope in the background. The navigation bar at the top includes 'Log in', 'Sign up', 'English', and 'Spanish' flags, and a menu with 'Home', 'About us', 'Courses', 'Instructors', 'Blog', and 'Contact'. The main heading 'OUR INSTRUCTORS' is centered, with a 'Scroll down' arrow below it. The featured instructor is Alfredo Hoyos, MD, with a photo of him sitting in a suit. A bio describes him as a Colombian plastic surgeon with high-definition liposuction and other advanced body contouring techniques. A 'Know more' button is located below the bio.
